

It is that time again for the **Elko Spring 2017 Plant Sale**. This fundraising event is for the Silver Sage Future Farmers of America Chapter at Spring Creek High School, in partnership with Nevada Division of Forestry. It allows students to raise money for club events and competitions, as well as to provide locally adapted, affordable trees, shrubs, forbs and grasses to local landowners. These plants are sold to landowners outside of incorporated city limits (e.g., Spring Creek, Osino, Ryndon, Tuscarora, Owyhee and Lamoille are exempt), who have one acre of land or more and who intend to conserve and enhance Nevada's natural resources through conservation plantings such as:

- Windbreaks
- Shelterbelts
- Woodlots
- Erosion Control
- Wildlife Habitat
- Christmas Tree Farms
- Streambank Stabilization
- Greenstripping
- Mine Reclamation
- Reforestation

We are providing an **order form that must be completed and returned to the Nevada Division of Forestry** (see NDF address below) with a check or money order made **payable to Spring Creek High School** for the full amount of the order. Order forms must be **returned no later than Wednesday, April 26th at 5:00 pm** to insure that the order is processed and delivered by the Washoe State Nursery. Late or improperly sent payments may be subject to cancellation.

Order and payment submittal (payable to Spring Creek High School):

Mail or deliver to:

Nevada Division of Forestry
911 Falcon Lane
Elko, NV 89801

Order pickup schedule:

Friday	May 5 th	9:00am to 1:00pm
Saturday	May 6 th	8:00am to 10:00am

Order pickup location:

Spring Creek High School
14550 Lamoille Hwy
Spring Creek, NV 89815
(9 miles east of Elko on the Lamoille Highway, behind the school at the greenhouse)

Technical information, assistance, and additional order forms can be acquired by contacting Gary Reese, Resource Management Officer, at 775-738-3454 ext. 230 or greese@forestry.nv.gov. Please visit <http://forestry.nv.gov/ndf-state-forest-nurseries/trees-on-wheels-program/> for additional information regarding plant selection and the Nevada Division of Forestry Nursery program. To see a mature planting of many of the species for sale, you can request a tour of the Jordan Arboretum at NDF's Northern Region Headquarters (see address above).
