

FAC Goal:	Actions:	Responsible Parties and Discussion Notes:
<p>1. Complete community hazard assessments and CWPPs</p>	<ul style="list-style-type: none"> <li>- Designate 5 zones within the district to separate CWPP</li> <li>- Provide guidance and training to District and residents on CWPP planning/writing</li> </ul>	<ul style="list-style-type: none"> <li>- <u>East Fork Fire Protection District</u>: Designated 6 zones for CWPP's within district. Will make Arc GIS files for all zones.</li> <li>- Six zones were chosen to address communities with highest fire threat within WUI.</li> <li>- Other, more urban areas will be looked at later if needed.</li> <li>- <u>Nevada Network</u>: Continue to provide guidance to District and residents on CWPP process and CWPP planning/writing.</li> </ul>
<p>2. Provide defensible space inspections and education to District residents</p>	<ul style="list-style-type: none"> <li>- Secure more information about successful DSI forms and collector apps</li> <li>- If requested: organize community DSI educational seminar</li> </ul>	<ul style="list-style-type: none"> <li>- <u>East Fork Fire Protection District and Nevada Network</u>: Get more info about DSI forms that have worked well in other states and could be easily adapted to the District.</li> <li>- <u>Nevada Network</u>: Work with communities throughout the District to provide community defensible space inspection seminars. Ask if NDF Staff are able to do some DSI.</li> </ul>
<p>3. Cultivate Community FAC leaders</p>	<ul style="list-style-type: none"> <li>- Reach out to underrepresented communities within the district to identify FAC leaders</li> </ul>	<ul style="list-style-type: none"> <li>- <u>East Fork Fire Protection District, Current community leaders, and Nevada Network</u>: Find more area leaders. Ideally we will have two leaders from all six areas. One will be the primary contact and the second will serve as an alternate.</li> <li>- <u>Nevada Network</u>: Provide a community leader description for the old FSC handbook to EFFPD.</li> </ul>
<p>4. Promote Living with Fire educational</p>	<ul style="list-style-type: none"> <li>- Connect with Living With Fire to provide</li> </ul>	<ul style="list-style-type: none"> <li>- <u>Nevada Network</u>: Provide home-hardening, defensible space, or fire-resistant landscaping seminars to homeowner</li> </ul>

programs and literature	educational seminars to District Residents	groups. Work with UNCE to provide Living With Fire literature to district communities.
5. Improve wildfire treatment mapping	<ul style="list-style-type: none"> <li>- Create and maintain a fuel treatment map within the district</li> <li>- Create CWPP boundary Maps</li> </ul>	<ul style="list-style-type: none"> <li>- <u>East Fork Fire Protection District</u>: Map the six designated zones for the CWPP.</li> <li>- <u>Nevada Network</u>: Locate the FSC archives and build a fuels project ArcGIS layer.</li> </ul>
6. Improve local capacity for fire mitigation work	<ul style="list-style-type: none"> <li>- Provide trainings to local contractors for CWPP work requirements and implementation work reqs</li> </ul>	<ul style="list-style-type: none"> <li>- <u>Nevada Network</u>: Long-range goal. Train contractors for CWPP planning and fuel reduction work</li> </ul>
7. Inform residents about evacuation planning and rehearse evacuations	<ul style="list-style-type: none"> <li>- Organize a mock evacuation for a district community</li> <li>- Prepare and distribute an evacuation guide for District residents</li> <li>- Provide evacuation trainings and literature to district residents</li> <li>- Connect to with CERT to see how Network can assist or train.</li> </ul>	<ul style="list-style-type: none"> <li>- <u>East Fork Fire Protection District</u>: Long-range goal. Replicate the Tahoe mock evacuation. This would be 5-7 years from now as a massive amount of coordination is required.</li> <li>- Provide evacuation training to district communities if time allows.</li> <li>- <u>Nevada Network</u>: Work with NDEM to get more outreach materials for evacuation preparation.</li> <li>- Provide evacuation training to district communities if time allows.</li> <li>- Meet with Douglas County CERT Coordinator</li> <li>- Long-term: Develop a paper-based evacuation guide for Douglas county communities.</li> </ul>
