

The Northeastern Nevada Stewardship Group (NNSG), in partnership with Nevada Division of Forestry (NDF), is pleased to announce the kick-off the **Elko Fall 2020 Plant Sale**. This fundraising event provides northeastern Nevada residents the opportunity to buy locally adapted, affordable trees, shrubs and forbs. In doing so, you are helping support conservation projects and environmental education initiatives of NNSG.

These plants are sold to landowners **outside of incorporated** city limits. These include Spring Creek, Osino, Ryndon, Tuscarora, Jarbidge, Jackpot, Owyhee and Lamoille. If your land is within the city limits of Elko, Carlin, Wells, or West Wendover, you are not eligible to purchase. Buyers must attest to purchasing plants with the intent to conserve and enhance Nevada's natural resources on their land through conservation plantings, such as:

- Windbreaks
- Shelterbelts
- Woodlots
- Erosion control
- Wildlife habitat
- Pollinator gardens
- Christmas tree farms
- Streambank stabilization
- Greenstripping
- Mine reclamation
- Reforestation
- Xeriscaping

**Due to COVID-19 safety concerns, all orders must be pre-paid and mailed through the US Postal Service.** We are providing an **order form that must be completed and mailed with a check or money order** made **payable to Northeastern Nevada Stewardship Group** for the full amount of the order.
