

## CONTRACTOR AND VENDOR REGISTRATION OPEN

The intent of this Request for Qualifications (RFQ) – Fire Fuels Reduction is to qualify contractors /vendors for the Scopes of Work provided on this flyer. Once vendors are under contract, State of Nevada agencies can request bids directly from vendors on an as-needed basis.

The State of Nevada Purchasing Division invites contractors and vendors to follow the steps below to become registered as a vendor with the State of Nevada and to also participate in the proposal submission and contracting processes. Once a signed contract for this RFQ is received by the vendor, they will be fully able to bid and be contracted for project work by state agencies.

1. Register your company now at [NevadaEPro \(Click here\)](#)
2. Please notify Nancy Feser at the State Purchasing Division by email that you have registered your company on Epro → → → → → → → → →
3. State Purchasing will release the RFQ to the registered vendors who will submit their proposals through [NevadaEPro \(Click here\)](#) for the scopes of work of which they intend to provide service.
4. State Purchasing will evaluate and qualify proposals based on pertinent scopes of work. Qualified proposals will be assigned a contract by State Purchasing.
5. Once a fully executed contract is received by the Vendor, they will be able to receive request for quotes and submit bids to individual state agencies.
