Fire Restrictions Rescinded
All State Lands- including all Nevada State Park and Recreation Areas

The State Forester Firewarden, in coordination with the Nevada State Parks Administrator, is rescinding the current fire restrictions for all state lands in Nevada, including Nevada State Park and Recreation Areas, pursuant to NRS 472.040, 472.510, 472.520 and 407.0475, becoming **effective 12:01 A.M Wednesday, November 24, 2021**. It is critical to understand that though fire restrictions are rescinded, fuel loads and conditions remain very receptive to wildland fire and caution should always be used.
