**SMALL BUSINESS IMPACT STATEMENT AS REQUIRED BY NRS 233B.0608**

**Proposed Permanent Regulation of the Nevada Division of Forestry  
Nevada Administrative Code Chapter 527**

**May 26, 2022**

I, Kacey KC, State Forester Firewarden, Nevada Division of Forestry (NDF), do hereby certify that, to the best of my knowledge or belief:

Pursuant to NRS 233B.060, the proposed administrative regulation changes in NAC 527 are not likely to (a) impose a direct or significant economic burden upon a small business, or (b) directly restrict the formation, operation, or expansion of a small business.

NDF has determined that the proposed regulations have no significant negative effect on Nevada small businesses. The proposed regulation changes are procedural in nature and seek to clarify existing process to better define the consultation process between NDF and the Nevada Division of Natural Heritage and the information necessary to petition, to list or amend the State list of fully protected species of native flora.

Comment has not been solicited from small businesses, and no summary of their response is provided, because small businesses are not impacted by these regulations and thus a burden or economic impact cannot be assessed.

Respectfully,

Kacey KC  
State Forester Firewarden
