

It is that time of the year again to kick-off the **Elko Spring 2024 Plant Sale**. This fundraising event is for the Silver Sage FFA Chapter at Spring Creek High School, in partnership with Nevada Division of Forestry. It allows students to raise money for club events and competitions, as well as provide locally adapted, affordable trees, shrubs, forbs and grasses to local landowners.

These plants are sold to landowners **outside of incorporated** city limits (for example, Spring Creek, Osino, Ryndon, Tuscarora, Owyhee and Lamoille are all eligible) who have 1 acre or more of land and intend to conserve and enhance Nevada's natural resources on their land through conservation plantings, such as:

- Windbreaks
- Shelterbelts
- Woodlots
- Erosion control
- Wildlife habitat
- Christmas tree farms
- Streambank stabilization
- Greenstripping
- Mine reclamation
- Reforestation

We are providing an **order form that must be completed and mailed with a check or money order** made **payable to Spring Creek High School** for the full amount of the order. Order forms must be received **no later than Wednesday, April 17th** to ensure that your order can be processed at the Washoe State Nursery. Late or improperly sent payments will not be accepted. Quantities are limited, so first come, first served.

Order and payment submittal (payable to Spring Creek High School):

Mail or drop off your order to SCHS or NDF:

Nevada Division of Forestry
911 Falcon Lane
Elko, NV 89801

Order pickup schedule:

Wednesday	April 24th	8:00am to 1:00pm
Thursday	April 25th	8:00am to 1:00pm

Order pickup location:

Spring Creek High School
14550 Lamoille Hwy
Spring Creek, NV 89815
(9 miles east of Elko on Lamoille Hwy, behind the High School at the greenhouse)

Technical information, assistance, and additional order forms can be acquired by contacting Andi Porreca, Urban and Community Forester, aporreca@forestry.nv.gov. Please visit <http://forestry.nv.gov/ndf-state-forest-nurseries/trees-on-wheels-program/> for additional information regarding plant selection and the Nevada Division of Forestry Nursery program. To see a mature planting of many of the woody species for sale, you can request a tour of the Jordan Arboretum at NDF's Northern Region Headquarters (see address above).
